

THE IRELAND FUNDS

thank you

The generosity of our donors has changed thousands of lives across the island of Ireland and around the world. The Ireland Funds has never wavered in its commitment and core mission: to deliver private philanthropic support to worthy causes that promote peace and reconciliation, arts and culture, education and community development. On behalf of the organizations doing extraordinary work, we thank you.

Progress Through Philanthropy

"Thanks to The Ireland Funds' support, the future is bright for this dynamic and innovative social enterprise. In its 3 years of existence we have supplied quality art materials and educational supplies to over 150,000 children and adults all over Ireland." — RECREATE

"The Ireland Funds were incredibly supportive and showed faith in us. We are building something here that is exciting, innovative and entrepreneurial and that faith makes all the difference." — INNER CITY ENTERPRISE

"We're making life better for those with Alzheimer's and dementia. It may seem small, but our germ of an idea just needed a bit of support. It was like a spark. The Ireland Funds was the fan that came in and helped grow that spark. Sometimes you just need to feed a fire to keep it going and this project was brilliant." — THE SPECTRUM CENTRE

"We're going into the schools and working with teachers on how they can make their physical education more accessible to a child with a physical disability. The Ireland Funds are helping us do this for so many children, one sport at a time." — IRISH WHEELCHAIR ASSOCIATION
