The Green Gala is the marquee fundraising event for the Chicago Young Leaders, a group of young professionals dedicated to supporting the philanthropic work of The Ireland Funds.

The Green Gala is seeking donations for exciting prizes to offer in the live or silent auction. Please consider offering a product or service from your business to raise funds for the vital work of The Ireland Funds.

Thanks to events like the Chicago Green Gala, The Ireland Funds is able to make key investments across Ireland and our Flagship Grants are examples of the impact your generosity enables. Each year, organizations that have demonstrated a particular impact in their field receive significant funding. So thanks to you, The Ireland Funds is helping Sensational Kids provide early intervention services to an additional 500-600 children with intellectual disabilities, per year. Thanks to you, Dogs for the Disabled will scale up and increase their assistance/therapy dog program by up to 30% over the next two years. Thanks to you, Children in the Crossfire will provide programs to 60,000 young people across Ireland to instill compassion, emotional awareness, critical thinking and reduced bias. These are just three examples of the difference that events such as the Green Gala make possible and for that, we thank you.
