Dear Friend of The Ireland Funds,

On Friday, February 28 over 200 young professionals will attend the 10th Annual Green Gala. The Green Gala is the marquee fundraising event for the Chicago Young Leaders, a group of young professionals dedicated to supporting the philanthropic work of The Ireland Funds. The event promises to be a lively reception with fine dining, drinks and dancing at Chez's contemporary loft event space.

By sponsoring this year's event, your organization will not only be supporting the great work of The Ireland Funds, but will gain exposure to over 200 leading young professionals from a variety of industries here in Chicago. Depending on your sponsorship level, your organization could also gain visibility with a network of philanthropists and business leaders across the globe.

The American Ireland Fund (dba The Ireland Funds America), is a tax-exempt organization under the laws of Pennsylvania. It has been determined by the IRS to be a public charity under Section 501(c)(3) of the Internal Revenue Code. Contributions to it, less projected benefit values, are tax deductible as provided by law. EIN Number 25-1306992.

Checks should be made payable to: The Ireland Funds America.

The Ireland Funds' mission is to harness the power of a global philanthropic network of friends of Ireland to promote and support peace, culture, education and community development across the island of Ireland and among Irish communities around the world.
