## Providing vital support at a crucial time

As the COVID-19 pandemic took hold in Ireland this spring, The Ireland Funds moved quickly to establish the COVID-19 Response Fund in support of communities in crisis.

Thanks to the response of our donors, we have been supporting the work of projects on the ground and ensuring the delivery of key services to thousands of people across Ireland and Northern Ireland.

Your support for The Ireland Funds will continue this work as we serve thousands of people across the island of Ireland.

- The Ireland Funds has been addressing these key areas of need:
- Food Distribution
  - Disability Support
  - Family Support
  - Elderly Services
  - Access to Education
  - Mental Health
  - Community Support
