THE IRELAND FUNDS

COME FOR THE GOLF...

As a steward of your generosity, The Ireland Funds ensures that your gifts have a profound and practical impact.

In 2022, our Heart of the Community Fund saw its second year of providing operational and programmatic support to nonprofit groups working diligently in areas including environmental sustainability and cross-community relations. Our Reconnection Fund ensured that nonprofits serving disadvantaged and marginalized communities were strengthened and vulnerable people were not forgotten.

We also continued access to high-quality education through our scholarship programs: No Mind Left Behind and the George Moore Scholars. Thanks to these programs, hundreds of bright minds have been able to advance their studies, explore their potential, and invest in their futures.

These are just a few examples of how you are making a difference with your support. We hope you will join us on May 22 for a great day of golf amongst friends, old and new, so that together, The Ireland Funds can continue this vital work of strengthening Irish communities across the island of Ireland.

... STAY FOR THE MISSION

The Ireland Funds' mission is to harness the power of a global philanthropic network of friends of Ireland to promote and support peace, culture, education and community development across the island of Ireland and among Irish communities around the world.
