The Sydney Garden Party

Sunday 19 November 2023

VENUE: Fairwater,
560 New South Head
Road, Double Bay

TIME: 12.30pm

DRESS CODE: White

We are so honoured to be invited back to Fairwater to carry on the tradition set by the late Lady Mary Fairfax AC, OBE. It was a chance meeting of Lady Fairfax and our co-founder Anthony O'Reilly at a publishing conference in the USA in the late 1980s that began our wonderful relationship. In our 36th year here in Australia we are so lucky to be able to return to this special place for our flagship event to raise funds and to spend a day together. A huge thank you to Annie and Mike Cannon-Brookes

Costs have continued to rise astronomically over recent years and this event is very expensive logistically. However our aim is to have a wonderful day and allow everyone to enjoy each other's company, fun and entertainment. To try to ensure a good financial outcome and wonderful day we are reaching out to offer different levels of support you can provide to us (the vast majority is tax deductible) and includes an option for you to recommend some of your funding be directed to a specific project or sector of your choosing.

As we continue to harness the power of a global philanthropic network of friends of Ireland to promote and support peace, culture, education, and community development across the island of Ireland and among Irish communities around the world. Our events raise the much-needed funds required to continue to bring hope, relief, and positive change to the lives of countless individuals and communities across Ireland and here in Australia.

We appreciate that these are challenging times for many people and businesses. We understand this is an ambitious ask, but please come on board with us in whatever capacity you can, your support will be greatly appreciated and will help us to lay the foundation for the next chapter of our work!

Look forward to your company in our Fairwater Winter Wonderland.

Teresa Keating
Executive Director
The Ireland Funds
E: tkeating@irelandfunds.org
