

Our Mission Statement

The Ireland Funds' mission is to harness the power of a global philanthropic network of friends of Ireland to promote and support peace, culture, education and community development across the island of Ireland and among Irish communities around the world.

Women in Leadership and Philanthropy

Our Ireland Funds **Women in Leadership and Philanthropy** initiative was formed in 2023 to bring women together who have a love of, or connection to Ireland and to build this network that can enhance our own professional networks as we **empower, inspire and give back** to those less fortunate. This series will see us support the No Mind Left Behind Scholarship Program.

We are a niche charity reaching out to Irish people who have received a free education in Ireland to not forget where they came from and support people less fortunate than ourselves.

“The Ireland Funds is a powerful force for good!”
