THE
IRELAND
FUNDS

DEAR FRIENDS,

As we close out what has been the most successful year of fundraising and grantmaking in our organisation's history, we want to express our deepest gratitude for your extraordinary partnership and unwavering commitment to the mission of The Ireland Funds.

As we share this report on 2025 with you, we celebrate our 50th anniversary in 2026. The Ireland Funds started with the powerful vision of our founders Dan Rooney and Tony O'Reilly in 1976. That vision was to support peace and prosperity across the island of Ireland and the incredible commitment of you, our donors, continues to fuel that vision 50 years on.

Your generosity in 2025 has been instrumental in helping us achieve significant impacts for communities across the island of Ireland. 1,300+ grants for more than 380 organisations is an incredible accomplishment, but the true story lies in the lives changed and the tangible impact of your support that has rippled across every sector we serve.

In this report on the work of The Ireland Funds in 2025 you will see some of that transformative impact through our programmes, our scholarships, our partnership with extraordinary grantees across the island of Ireland and our partnership with our generous donors.

As we look toward the coming year, we are energised by the possibilities that lie ahead and honoured to continue this journey alongside you. An anniversary is not simply a look back; it is a launchpad. With your continued partnership, we are poised to expand our reach even further, touching more lives and building stronger, more resilient communities. We are deeply grateful to have you as a partner in this vital work as we celebrate fifty years of philanthropy together.

With sincere appreciation and warm regards,

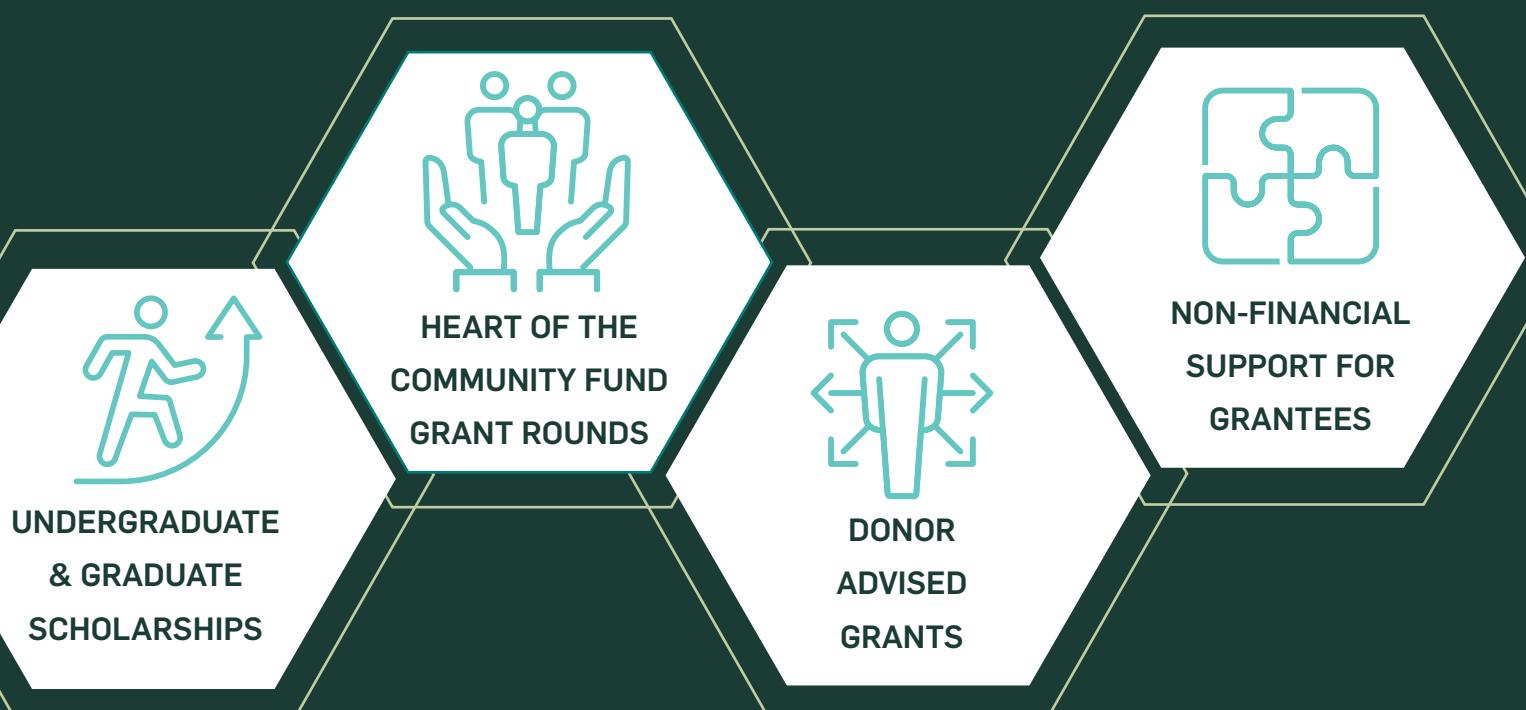

Caitriona Fottrell
